A People's History of Christianity: The Other Side of the ...

A People's History of Christianity authenticates the vital, emerging Christian movements of our time, providing the historical evidence that celebrates these movements as thoroughly Christian and faithful to the mission and message of Jesus.

A People's History of Christianity: The Other Side of the ...

For too long, the history of Christianity has been told as the triumph of orthodox doctrine imposed through power and hierarchy. In A People's History of Christianity, historian and religion expert Diana Butler Bass reveals an alternate history that includes a deep social ethic and far-reaching inclusivity: "the other side of the story" is not
