[Mythologies of the indigenous peoples of the Americas](#) ...

North America. There is no single mythology of the Indigenous North American peoples, but numerous different canons of traditional narratives associated with religion, ethics and beliefs. Such stories are deeply based in Nature and are rich with the symbolism of seasons, weather, plants, animals, earth, water, fire, sky and the heavenly bodies.

[American Indian Myths and Legends Paperback - Amazon.ca](#)

"American Indian Myths and Legends" is a collection of 166 stories selected and edited by Richard Erdoes and Alfonso Ortiz that represent the heart and soul of the native people of North America. In contrast to the more familiar classical myths of ancient Greece and Roman, the genesis for these stories is much more organic, rising from the animals, plants and herb that made up the every day.
