the oleic acid on a live and wriggling sister or mother and refrain from evicting her from our hive. But does the occurrence of unintelligent behavior suffice to demonstrate the total absence of men

[Understanding the animal mind - apa.org](#)

While she acknowledged the temptation of anthropomorphism and controlled for it as a possible source of error, she maintained that the minds of non-human animals could be inferred from their behavior, based on the analogy of human conscious experience. Her focus was the animal mind as deduced from experimental evidence, a phrase she suggested might have been a more appropriate title for

[Who is behind Great apea human mind or an ...](#)

Great Ape is an Human mind and the difference between Animal mind and Human mind is that, they think a like.

They both have feelings, emotions and have the same mood as us, it is not like they can be happy all the time, now is it? Although some Animals don't think like the turtle or is it the tortoise whichever.

[Animal Mind Human Mind - Report of the Dahlen Workshop ...](#)

But it seems now to be widely if not universally recognized that this is a serious objection only if one has already assumed in advance that conscious thinking is uniquely human, and the accusation of anthropomorphism is then merely a reiteration of the prior conviction.
