The Top 43 MLM Books of All Time: Must Read Network ...](#)

This is one of the first network marketing books I ever read, when I first joined the industry back in 2002. The book is in a parable format and covers a struggling network marketer who is about to give up and quit the industry for good. Before throwing in the towel he gets to connect with a very successful distributor and learn the ropes of network marketing. Needless to say, this is a must
