Chesapeake is a novel by James A. Michener, published by Random House in 1978. The story deals with several families living in the Chesapeake Bay area around Virginia and Maryland , from 1585 to 1978.

[Chesapeake by James A. Michener - Goodreads](#)

Chesapeake is the rambling story of a portion of the Chesapeake Bay area from the time just before Europeans arrived until the 1970's. While the story began well, eventually it really did begin to ramble but also it skipped major moments in history (the Civil War is mentioned as an afterthought and the Civil Rights movement is mentioned as a peripheral occurrence). These lapses in historical

In my opinion, Chesapeake overall falls a bit short of Poland but the central third or so focused on the practice of slavery is head and shoulders above anything in Poland.

This is a must read book for any with the slightest interest in history.
