Same-Sex Marriage Should Be Legal - DebateWise

First, it is important to recognise that the explanation for why different viewpoints exist on whether or not same-sex marriage should be legal, is because different people, and governments, have different intuitions about whether or not homosexuality, per se, is acceptable. It is hard to imagine that this debate would be a live one in a world in which everyone agreed that homosexuality is

A Right to Marry? Same-sex Marriage and Constitutional Law

Under any state of the law, religions would be free to marry or not marry same-sex couples. The public debate, instead, is primarily about the expressive aspects of marriage. It is here that the difference between civil unions and marriage resides, and it is this aspect that is at issue when same-sex couples see the compromise offer of civil unions as stigmatizing and degrading. The expressive
