In more detail, Donner Dinner Party is a social deduction game in which players are either pioneer or cannibal. Each player has equipment as well, and sometimes that will help you survive unless of course you're a cannibal, in which case you might want to play dumb about what you have. The party goes hunting regularly to try to survive, and the cannibals will try to thwart these efforts.

Donner Dinner Party is similar in style to well-known games like Mafia, Werewolf, and Bang! You are given secret roles at the start: most of the party are pioneers and some of them are cannibals. The goal is to survive 7 nights by hunting for enough food to appease the party. If not enough food is found, or if someone poisons all the food, your party will have to vote to eat someone for that.

Donner Dinner Party is a part of the Nathan Hale's Hazardous Tales series, which are graphic novels based on various events in history, usually ones that are a bit weird or gruesome. Obviously, the story of the Donner Party is gruesome, but this graphic novel was not graphic (ha ha, you know what I mean).
