'Good to Great' book review | Stocker Partnership
Business musings, Articles and thoughts about all things innovative and strategic. 01 - Sep Good to Great book review . Posted by Matt Stocker . stored in: Performance Improvement . I have just finished Good to Great by Jim Collins and I wanted to record my reflections about the book. However, I am in somewhat of a dilemma. On the one hand, I really enjoyed the book and felt that many of (Good to Great) | Jim Collins | Soundview Book Review
What do good companies need to do to become great? To answer this question, Jim Collins (the author of the bestselling business book Built to Last) and a team of business researchers used strict benchmarks to identify a group of 11 elite companies that made the leap from good to great and sustained that greatness for at least 15 years.

Jim Collins Good To Great Book Review Good To Great by Jim Collins is a book that has been sitting on my bookshelf for awhile now. I finally got a chance to read it, and wanted to share an in-depth review of some of the lessons I learned in it.

"Good to Great" Review: Why "Good to Great" Isn't Very Good

"Good to Great" might encourage you and give you some good ideas, but it isn't a panacea to creating great organizations. I read "Good to Great" in 2004 and lumped it together with most other business books.

[Book Review: Good to Great by Jim Collins - Business Insider](#)

Welcome back to Weekend Inspiration, my Friday book/movie review segment, after a two-week hiatus. This week I read Good to Great by Stanford business professor Jim Collins, a book I've wanted to

[Good To Great: Why Some Companies Make the Leap...And ...](#)

After searching all over for a book, written more recently that works as well as Good to Great, I gave up. Even 14 years after its release, this is still the best vehicle to get managers, especially senior managers, to open their minds, get out of the box, "face the brutal facts" and challenge themselves to take their own companies to a higher level. We created worksheets with key questions.

[Good to Great by Jim Collins | Book Summary & PDF](#)
From the author of Built to Last, Good to Great outlines a model for turning a good, average or even mediocre company into a great one. The book includes a useful model which brings all the theory together in a meaningful and memorable way.

Good to Great - Share book recommendations with your ...

Good to Great: Why Some Companies Make the Leap and Others Don't is a management book by Jim C. Collins that describes how companies transition from being good companies to great companies, and how most companies fail to make the transition. The book was published on October 16, 2001. "Greatness" is defined as financial performance several multiples better than the market average over a

Good To Great - Book reviews: Find the best new books

After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck.

Book 7 | Good to Great by Jim Collins - amazon.com

Good to Great by Jim Collins is a compelling and informative book about how to be successful, and how to stay successful. The theme of success is shown through 11 companies who start out less or equal to share-market value, then sky rocket to a substantial increase becoming a great company, which in terms of Collins, at least three times the market over a consistent span of 15 years. By **Jim Collins - Articles - Good to Great**

Like great thinkers, who take complexities and boil them down into simple, yet profound, ideas (Adam Smith and the invisible hand, Darwin and evolution), leaders of good-to-great companies develop a Hedgehog Concept that is simple but that reflects penetrating insight and deep understanding.

Good to Great -- Ventell

To go from good to great requires leaders to know what their organizations are passionate about, what drives their economic engine, and at what they can (and cannot) be the best in the world.

Good To Great | Jim Collins - Tom Butler-Bowdon

Before Good To Great, Collins wrote the celebrated Built To Last, about visionary, iconic companies that have stood the test of time. As the recipe book for hoisting yourself to an initial stage of greatness, Good To Great is actually the 'prequel', Collins says.

Good to Great - Wikipedia

Good to Great: Why Some Companies Make the Leap and Others Don't is a management book by Jim C. Collins that describes how companies transition from being good

companies to great companies, and how most companies fail to make the transition.

Good to Great: Buy Good to Great Online at Low Price in ...
