[Hittite and the Indo-European Verb Jay H. Jasanoff](#)  
Abstract. This book sets out to reconcile our picture of the Proto-Indo-European (PIE) verbal system with the evidence of Hittite and the other early Anatolian languages. The discovery that Hittite was an Indo-European (IE) language had dramatic consequences for our conception of the IE parent language. For most of the 20th century, attention

The "disconnects" between Hittite and the other early Indo-European languages have been extensively explored, and scholars have realized that the conventional picture of the parent language must be modified to account for the facts of Hittite.

[Hittite and the Indo-European Verb - Hardcover - Jay H ...](#)

The disconnects between Hittite and the other early Indo-European languages have been extensively explored, and scholars have realized that the conventional picture of the parent language must be modified to account for the facts of Hittite. Jay Jasanoff proposes the most thorough and systematic resolution of the problem yet published, putting *If Hittites were Indo-European, did they feel kinship with ...*

Though Hittites were linguistically Indo-European, they were most probably, genetically and culturally, much more heirs to local Anatolian and maybe also Caucasian populations and cultures than to the original Indo-European speakers that had given them their language millennia earlier.
