Home brewing in Montreal - reddit

sanitation is the major thing. keep clean and your beer should be good. well most people here gave you good advice already, i don't have much to add. my only mention would be it's a bit hot and humid right now to brew beer. i personally think it's better to brew when the weather is a little cooler unless you have a really good AC unit in your home, or you can rig some ghetto cooler but i'd be [Wine Making & Beer Brewing Equipment in Montreal QC ...](#)
