Different languages, different cultures, different ...

Language ideologies are pervasive in all forms of thinking and particularly in linguistic models, bringing to bear upon the way how language is studied. Culturally varied and socio-historically specific, they cannot be superseded by the dominating language ideology of Western culture, which claims that linguistics, as an autonomous and objective science, should be value-neutral and ideology

Language ideology - Wikipedia

Language ideology (also referred to as linguistic ideology) is a concept used primarily within the fields of anthropology (especially linguistic anthropology), sociolinguistics, and cross-cultural studies to characterize any set of beliefs or feelings about languages as used in their social worlds.

Ideology and discourse analysis: Journal of Political ...
Ideology and discourse analysis Although general properties of language and discourse are not, as such, ideologically marked, systematic discourse analysis offers powerful methods to study the structures and functions of underlying ideologies. The ideological polarization between ingroups and outgroups a prominent feature of the structure of ideologies may also be systematically
