Feminists have asserted that maternal knowledge can be applied outside the immediate context of family, informing and benefiting other social arenas and concerns, such as politics, community

[Mother-Scholar - Sense Publishers](#)

Mother-scholar presents a vital source of knowledge. The book illuminates the narratives of mother-scholars in the field of education who are determined to (re)imagine the educational space not only for their own children, but for all children. The book details how the experiences of motherhood and academic thinking confront and inform each other within the field of education. This project is [Mother Scholar \(@unapologetiemoe\) | Twitter](#)
