Nancy Pearl selected Mothers & Other Monsters as a "Books for a Rainy Day" on Morning Edition on NPR. In her luminous, long-awaited debut collection, award-winning novelist Maureen F. McHugh wryly and delicately examines the impacts of social and technological shifts on families.

Book Review: Mothers & Other Monsters: Stories, Maureen F ...

It seems only fitting that I finish off her oeuvre with Mothers & Other Monsters: Stories (2006), her first of two collections of short stories. What with its cast of werewolves, clones, ghosts, space travelers, and genetically rejuvenated elders, Mothers & Other Monsters is an eclectic mix of fantasy and science fiction.

Mothers And Other Strangers, Book by Gina Sorell ...

Mothers and Other Strangers is a wonderful, complex story about the relationship between a mother and her daughter. An emotional tale that kept me enthralled from beginning to end. Could not put it down!

To be honest, I thought MOTHERS AND OTHER STRANGERS was a thriller. At least that is the feeling I got from the book's blurb. The first thing the blurb says about the book is: "My father proposed to my mother at gunpoint when she was nineteen, and knowing that she was already pregnant with a dead man's child, she accepted."
