Nujood's father pulled her of school when she was in the second grade and forced her to marry a man much older than she. At this time, the minimum legal age of marriage for girls was 15, but many families especially in rural areas continued to engage in marrying off daughters much younger than this.

Quotes - I Am Nujood, Age 10 and Divorced

I chose this quote because it describes what Nujood and other girls in similar marriages had to go through. This is

an example of the daily experiences that Nujood went through. It shows the disregard to women in marriages and abuse that they had to suffer. They couldn't have any say in the way they were treated. As for how they were treated, it was as if these poor women didn't even have an
