Uncle Tungsten | Oliver Sacks, M.D. | Author, Neurologist ...

The Uncle Tungsten of the book's title is Sacks's Uncle Dave, who manufactured light bulbs with filaments of fine tungsten wire, and who first initiated Sacks into the mysteries of metals. The author of this illuminating and poignant memoir describes his four tortuous years at boarding school during the war, where he was sent to escape the bombings, and his profound inquisitiveness cultivated by living in a household steeped in learning, religion and politics (both his parents were

Uncle Tungsten: Memories of a Chemical Boyhood: Oliver ...

It was the advice, influence and support from Sacks' relatives, in particular Uncle Dave (U. Tungsten of the title) that allowed Oliver's potential to blossom. There is only one detectable blooper in this biography, but whether it was Uncle Tungsten's or the author's is unclear.
