[AN OVERVIEW OF COMMON PARKING ISSUES PARKING MANAGEMENT ...](#)

Although each neighborhood is unique, several parking issues and potential solutions are the same. The challenge is to provide adequate parking to meet a community's needs for mobility and economic strength, to encourage people to use other modes of travel, and to minimize the impacts of parking on neighborhood character. The following recommendations outline several parking solutions to:

Parking in nonapproved spots near the entrance may create animosity among your co-workers who have to walk longer distances. This is especially irritating if it is an owner or executive who is

#### **Parking: Issues and Policies (Transport and Sustainability ...**

Parking has been extensively used as a means of managing the demand for car travel, be it by use of parking pricing, regulation or parking supply via policies such as park and ride. Given the ubiquitous nature of parking in our cities, there is a relative lack of research at least when compared to measures such as road pricing of which much has been written but of which there are few schemes in
