This is a trend following system. One of the characteristic of trend following is that your win/lose trade is normally 7/3. Yes you will lose or breakeven most of the time but one you catch a big move you will be rewarded.

How to Take Profits when Trading - Tradingsim.com

One of the biggest reasons for so many losing traders on Wall Street is the fact they take profits too early. If you continuously take profits before you let your harvest come in, you will go broke. Example of taking profits - First off trading is a game of odds. Anyone that tells you otherwise is either delusional or not a seasoned veteran. Since it is a game of odds, much like a casino, the

Trading profit and loss account and balance sheet ...

I would like to suggest that it is better to give balance sheet format separately for sole trading concern and company. It may be noted that in this format b/s format is given for company where revenue a/c is given for a single proprietor.
