[The Secret Keeper by Kate Morton - Goodreads](#)

The Secret Keeper is a beautifully written historical fiction novel. It has a gripping and original plot with just enough twists and turns to keep the reader interested. The novel was also very well-researched. I thought the various time shifts in the novel were handled quite well and I found the story very easy to follow.

THE SECRET KEEPER. 1961. On a sweltering summer's day, while her family picnics by the stream on their Suffolk farm, sixteen-year-old Laurel hides out in her childhood tree house dreaming of a boy called Billy, a move to London, and the bright future she can't wait to seize.

The Secret Keeper | RURAL England, a farmhouse in the middle of nowhere, a summer's day at the start of the 1960s. The house is unassuming: half-timbered, with white paint peeling gently on the western side and clematis scrambling up the plaster. The chimney pots are steaming, and you know, just

Rated 4 out of 5 by susieteague from The Secret Keeper by Kate Morton This is the fourth book I've read by Kate Morton. I really enjoy her style of writing and this one kept my interest from the very beginning. It is a wonderfully written mystery which follows the lives of a close knit family in the final days of their mothers life. A mystery surrounding their mother's past comes to light and

[The Secret Keepers Book Review - Common Sense Media](#)

Like that series, *The Secret Keepers* is a great fit for bright wannabe spies. With a watch that can render its keeper invisible, there's much opportunity for mischief, but the violence stays very light. The only weapon nearly wielded is a baseball bat. The scariest bit involves a near drowning in a labyrinth of island tunnels open only at low tide, with talk that ghosts of kids who have died

[The Secret Keeper ebook by Kate Morton - Rakuten Kobo](#)

The Secret Keeper is the first Kate Morton book I've read - it won't be the last. The book switches between WW2 and present day and the characters, although all complex in nature, just grab you and take you on their journey. Amazing read and can't wait to read some of her other

books

[The Secret Keepers by Trenton Lee Stewart - Goodreads](#)

The Secret Keepers is a good book with good morals and good characters, it's just way too long. It's not like it's a difficult book to read, it's meant for ages 8 through 12, and that's obvious. Still, I realized after about a third of the way through the book that I could gloss over a great many of the descriptions and not miss anything essential to the plot. There were times when I skipped
