They correspond to typical shared reading stories, focus on word families and phonics skills, single in on sight words, or contain concepts for science, math, and social studies commonly used in early childhood themes/lessons.

Sight word - Official Site

The sight words are a collection of words that a child should learn to recognize without sounding out the letters. The sight words are both common, frequently used words and foundational words that a child can use to build a vocabulary. Combining sight words with phonics instruction increases a child's speed and fluency in reading.

Kindergarten Sight Words List | Education.com

Sight words are words that appear frequently in most of the text people read, but can't easily be sounded out. Learning them helps children become more confident readers.
