Installs in about a minute, no need to remove the valve cover to remove the tach drive gear assy. Fits tachometer cables that are approximately 15mm in diameter with a 10.5mm groove and held in place with a screw.

All about screws - RSR Electronix Express

All about screws : Socket Screws: While many hex cap screws may be found in vehicles, socket head screws are becoming more popular and have some space saving advantages over hex cap screws. Socket heads take up less space themselves and don't require side room for wrenches. They also are usually made from stronger alloy steel vs. hex cap screws, but this depends on the grade and
