Star Trek (TV Series 1966-1969) - IMDb

The original Trek series established, within it's brief 3-year span, the panorama of an ever-expanding Federation of planets & civilizations, of which Earth was, in the 23rd century, a founding member (tho the audience never saw Earth during this run, except in time travel stories back to our 20th century).

Timeline of Star Trek - Wikipedia

When the original series of Star Trek was produced, the 1990s were considered the distant future, and so various elements of the backstory to Star Trek are set in that era, particularly the Eugenics Wars. The references to the Eugenics Wars and to a nuclear war in the 21st century are somewhat contradictory.
