The Contemporaries: Travels in the 21st-Century Art World ...

About The Contemporaries, It's been nearly a century since Marcel Duchamp exhibited a urinal and called it art. Since then, painting has been declared dead several times over, and contemporary art has now expanded to include just about any object, action, or event: dance routines, slideshows, functional hair salons, seemingly random accretions.

The contemporaries: travels in the 21st century art world ...

Light refreshments will be served and examples of works by the contemporary artists he profiles in The Contemporaries: Travels in the 21st Century Art World will be presented.

Books similar to The Contemporaries: Travels in the 21st ...

The best-selling author of Seven Days in the Art World now tells the story of the artists themselves how they move through the world, command credibility, and create iconic works.
