Book Review: The Urban Sketcher: Techniques for Seeing and Drawing on Location

Marc Taro Holmes' book The Urban Sketcher: Techniques for Seeing and Drawing on Location is a practical and insightful book on urban sketching. He shares many techniques in the tutorials included.

The Urban Sketcher: Techniques for Seeing and Drawing on ...

The extremely simple and organized way Marc presents his techniques is great both as a starting point for someone new to pencil/ink drawing/watercolor painting and for more advanced sketchers/painters who can benefit from his method which encourages forethought and organization in the painting process, among other things.
